

Springtime Adventures in the Meadow

Presented by:

Connemara Conservancy

**Springtime Comes
to the Meadow**
March 22, 2009
2-4 p.m.

Enjoy a 'Nature Break' with your family as we learn what a meadow is and talk about the plants and animals that call the meadow their home.

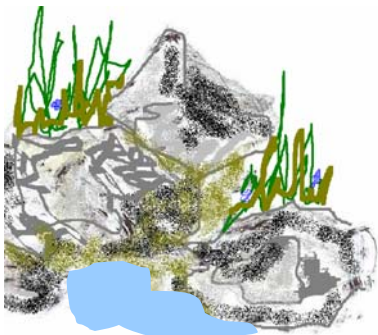

**Tracking Families
in Nature**
April 19, 2009
2-4 p.m.

Bring your children to Connemara where they can safely explore a stream and meadow habitat and learn who lived here long ago.

**Exploring a
Different Habitat**
May 17, 2009
2-4 p.m.

Our third *adventure* will introduce children to the 'forest floor habitat'. Come on out and let them climb on rocks, look under logs for bugs and gaze at the sky!

Experience the wonders of nature with your children!
